1. In the library there is need to providing the all type of book in large quantities. Because some time many students need same verity of book at one time
2. Start M.Com in your college
3. Kindly make sure the library staff and clerical section is polite, helpful and energetic enough to solve the problems of the student rather than shifting blame all the time.
4. Count of Temporary Staff and Period Basis lectures should be reduced and Management should Focus on Permanent staff with highest possible qualification
5. Computer Lab and college Canteen Facility Should be enhanced
6. Clerical work is very slow, no grievance cell
