## From the Principal's Desk

Dear Students,

Heartiest congratulations,

I am very much happy to congratulate you for your bright success at HSC/ Degree exam and your right decision to make choice of this college for your further studies of UG / PG course in the academic year 2022-23.

Conventional courses of B.A.,B.Sc.and B.Com. are equally competent as well as important as regarding to job opportunity, self-employment and any other successful social and financial career in developing Indian spectrum.

Bharatiya Shikshan Prasarak Sanstha Ambajogai, established on 28<sup>th</sup> June 1951, is a standard and devoted educational institution, well known for its mission and vision all over Maharashtra. This college, established in June 1972. The college works for Quality, Excellence and Social Commitment. Our college has completed its Golden Jubilee Year. College is committed to inculcate among the students the true spirit of hard work and discipline efforts following Samarth Ramdasa's message ' Kelyane Hota Ahere, Adhi Kelechi Pahije. ' We believe : 'Work is Worship'. We take care of the development of your personality through various creative activities organised by different forums.The aim behind these efforts is to inculcate moral and social values among the students, so that they will further contribute to Nation building. The interaction with the students is made through Teacher-Guardian Scheme which helps to solve their academic difficulties. The college teacher works as a guardian of students.

The college also runs "Career Development and Counseling Cell" which will help you to prepare for competitive exams viz. MPSC, UPSC and CET/SET/NET exams for further educational avenues. The Centre also keeps you informed of various job opportunities.

We offer a number of UG and PG courses in Arts, Science and Commerce faculties as well as UGC sponsored career oriented advanced courses.

All the curricular, co-curricular and extra - curricular activities of the college aim's at developing your personality and making you a healthy and moral citizen of mother India. Friends, I appeal to you to actively participate in all such activities, seek guidance from the teachers, study hard and gain your goals.

All the best !

Dr. M.A. Devarshi  
**Principal**

**The Vision**

“To build a tradition of ideal citizens loyal to democracy, virtuous, scholarly, morally sound, nationalist through Indian Education .”

**The Mission**

- 1) Nation building through man making and character building.
- 2) To adopt requisite pedagogies for quality awareness of knowledge and skills among the students for fulfillment of national and international requirements.
- 3) To promote the competence of the students by imparting value added education to face challenges of rapid changing world.
- 4) To promote teacher and students to undertake academic activities and training programmes related with higher education.

**Goals**

- 1) To impart knowledge and skills to the students.
- 2) To inculcate moral values among the students.
- 3) To create awareness of the value of education in the society.
- 4) To help social transformation through education.
- 5) To contribute to national development.

**Objectives**

- 1) To make available various courses at UG & PG levels for students.
- 2) To equip students for global competency by providing them with knowledge and necessary skills.
- 3) To cultivate moral values among the students which include Human Rights, Social Justice, Secularism, Democracy and eradication of Untouchability through various activities.
- 4) To develop student’s personality with proper facilities and skills.
- 5) To create awareness of modern technology among the students.
- 6) To make available various skill- oriented courses to students so that they will get the jobs or become self-employed.
- 7) To contribute in social awakening & social change through education.

## Important Instructions for students

- 1) Read this prospectus carefully before filling in and submitting your admission form.
- 2) Dr. Babasaheb Ambedkar Marathwada University has given a specific time period for the completion of admission process. You have to complete your admission within that period before 20/07/2022. Any delay on any account may cause irrecoverable damage to your academic career.
- 3) You, yourself have to fill in the admission form. Take care to fill in every column accurately.
- 4) You should be personally present while taking admission.
- 5) Students seeking admission to any stream of first year (i.e. B. A. I, B. Com.I, B.Sc.I) should carefully consider their liking for optional subjects and its importance in the practical world.
- \* Our guidance will happily help you in making the choice of subjects or group of subjects.
- \* Please note that the subjects once chosen and entered in the admission form can not be changed for any reason.
- \* University may refuse your admission or you may be deprived from taking examination in the event of committing mistakes in this regard.
- 6) For the students seeking admission to second or third year of B.A., B.Sc. :  
Subjects offered at the first year / first semester have to be offered for further semesters.
- 7) The groups of the subjects have been decided by the University.
- 8) You will get your identity card only after your admission is complete in all respects. You will get the identity card from the college library.
- 9) DON'T FORGET to get the receipt of the payment of fees. When you submit the admission form keep this receipt safe with you and produce this receipt on demand.

No refund or any such matter can settled without original receipt.

## **General Discipline**

- 1) Your behaviour must be in accordance with healthy academic working of the college. Any breach of discipline may invite cancellation of your admission from this college.
- 2) The Principal has all the powers with regard to annual gathering and other events. His/Her decision in these matters will be final. There will be no fishpond and no special meal during the annual gathering if it is decided to be organised.
- 3) You should go to the college office only when the office calls you or only when it is absolutely necessary for you to visit the office. You should take care that you are not wasting time of the office staff.
- 4) **You should always carry your Identity Card with you and show it whenever you are required to show it. Your identity card should be attested by the Principal.**
- 5) No student will try to bring any direct or indirect political or any other influence on the college staff.
- 6) The use of mobile phone is strictly prohibited in the class room and in the college premises. (except academic purpose.)
- 7) Any activity like ragging will be punished under Maharashtra Prohibition of Ragging Act. 1999.

### **Attendance, Tests and Submission of Tutorials / Homework**

- 1) It is compulsory for students to attend regular classes. The University has fixed 75 % attendance in classes to be eligible to take University Examinations. If your attendance falls short of this percentage, you will not be eligible to appear and attempt the University Exam.
- 2) Absence in one class will be treated as absence for the whole day.
- 3) The student must take part in all class tests and sessional works on the dates decided by the college / teacher. Absence in the tests leads to 'Failed' result in the end.
- 4) Students should submit homework of their subject promptly. (within time)
- 5) Students have to secure the passing marks under internal exams separately from the passing marks in the university exam.
- 6) To avoid the problems and complications, consult the subject teacher for details without any hesitation.

## **Rules of Admission**

- 1) Students seeking admission to first year course obtaining 60 % or more marks at their H.S.C. examination will get direct admission. Students who have obtained less than 60 % marks at the H.S.C. examination will get admission according to number of seats available on merit basis.
- 2) Rules of reservation are applicable for admission. The quota of seats is as per the rules of Govt. of Maharashtra & Dr. B.A.M.U. A'bad.
- 3) If the seats reserved for the backward communities are not filled within the given period, the same shall be converted to open category seats.
- 4) Students with bad record in respect of behaviour, studies performance, discipline and regularity shall not be admitted.
- 5) The students must pay all fees including practical fees and other charges at the time of admission.
- 6) **The students must not change the subjects or group of subjects he/she has opted in the form after the admission is complete.**
- 7) Admission given by the college is initially on the provisional basis & it will be considered final only after the approval of the University.
- 8) The Principal has the descritionary powers to make changes in the admission rules within the framework of the rules of the University and Govt. of Maharashtra.
